Tips for hosting a successful MOLESK IRC Event

1. "Host Site Agreement" must be mailed to the State Director of Skilled Technical Sciences by Dec. 15.
2. Remind students and teachers' only Concentrators are eligible.
3. Work closely with the Missouri Peace Officers Association contact to ensure they are aware of their role prior to, during, and after the event. You may wish to engage multiple law enforcement volunteers to verify the components offered during the event.
4. Make sure all scores are reported to the Director of Skilled Technical Sciences as well as the testing coordinator for each participating school.
